(c) The Demised Premises shall not be used for any illegal purposes, and Tenant shall not allow, suffer, or permit any vibration, noise, odor, light or other effect to occur within or around the Demised Premises that could constitute a nuisance or trespass for Landlord or any occupant of the Building or an adjoining building, its customers, agents, or invitees. Upon notice by Landlord to Tenant that any of the aforesaid prohibited uses are occurring, Tenant agrees to promptly remove or control the same.

(d) Tenant shall not in any way violate any law, ordinance or restrictive covenant affecting the Demised Premises ("Laws"), and shall not in any manner use the Demised Premises so as to cause cancellation of, prevent the use of, or increase the rate of, the fire and extended coverage insurance policy required hereunder. Tenant shall have the right, after written notice to Landlord, to contest by appropriate legal proceedings, diligently conducted in good faith, at its sole cost and expense, the validity or application of any Law with which Tenant is not in compliance, and to delay compliance therewith pending the prosecution of such proceedings, provided no civil or criminal penalty would be suffered or incurred by Landlord or the Building and no lien would be imposed upon or satisfied out of the Demised Premises or the Building by reason of such delay, and provided, further, that Landlord shall in no event be obligated to join in any such proceedings. Landlord makes no (and does hereby expressly disclaim any) covenant, representation or warranty as to the Permitted Use being allowed by or being in compliance with any applicable laws, rules, ordinances or restrictive covenants now or hereafter affecting the Demised Premises, and any zoning letters, copies of zoning ordinances or other information from any governmental agency or other third party provided to Tenant by Landlord or any of Landlord's agents or employees shall be for informational purposes only. Tenant hereby expressly acknowledging and agreeing that Tenant shall conduct and rely solely on its own due diligence and investigation with respect to the compliance of the Permitted Use with all such applicable laws, rules, ordinances and restrictive covenants and not on any such information provided by Landlord or any of its agents or employees.

(e) In the event insurance premiums pertaining to the Demised Premises, the Building, or the Building Common Area, whether paid by Landlord or Tenant, are increased over the least hazardous rate available due to the nature of the use of the Demised Premises by Tenant, Tenant shall pay such additional amount as Additional Rent.

(f) Tenant, its permitted subcontractors and their employees, licensees and guests, shall have access to the Demised Premises at all times, twenty-four (24) hours per day, every day of the year, subject to such after-normal business hour security procedures as Landlord may require.

8. Insurance.

(a) Tenant covenants and agrees that from and after the Lease Commencement Date or any earlier date upon which Tenant enters or occupies the Demised Premises or any portion thereof, Tenant will carry and maintain, at its sole cost and expense, the following types of insurance, in the amounts specified and in the form hereinafter provided for:

(i) Liability Insurance in the Commercial General Liability form (including Broad Form Property Damage and Contractual Liabilities or reasonable equivalent thereto) covering the Demised Premises and Tenant's use thereof against claims for bodily injury or death, property damage and product liability occurring upon, in or about the Demised Premises, such insurance to be written on an occurrence basis (not a claims made basis), to be in combined single limits amounts not less than \$3,000,000.00 and to have general aggregate limits of not less than \$10,000,000.00 for each policy year, with such commercially reasonable deductibles as may be approved by Landlord, which approval shall not be unreasonably withheld. The insurance coverage required under this Section 8(a)(i) shall, in addition, extend to any liability of Tenant arising out of the liabilities provided for in Section 11 and, if necessary, the policy shall contain a contractual endorsement to that effect.

(ii) Insurance covering (A) all of the items included in the leasehold improvements constructed in the Demised Premises by or at the expense of Landlord (collectively, the "Improvements"), including but not limited to demising walls and ductwork and portions of the heating, ventilating and air conditioning system located within the Demised Premises and (B) Tenant's trade fixtures, merchandise and personal property from time to time in, on or upon the Demised Premises, in an amount not less than one hundred percent (100%) of their full replacement value from time to time during the Term, providing protection against perils included within the standard form of "Special Form" fire and casualty insurance policy, together with insurance against sprinkler damage, vandalism and malicious mischief. Any policy proceeds from such insurance relating to the Improvements shall be used solely for the repair, construction and restoration or replacement of the Improvements damaged or destroyed unless this Lease shall cease and terminate under the provisions of Section 20.

(b) All policies of the insurance provided for in Section 8(a) shall be issued in form reasonably acceptable to Landlord by insurance companies with a rating of not less than "A," and financial size of not less than Class XII, in the most current available "Best's Insurance Reports", and licensed to do business in the state in which the Building is located. Each and every such policy:

(i) shall name Landlord, Lender (as defined in Section 24), and any other party reasonably designated by Landlord, as an additional insured. In addition, the coverage described in Section 8(a)(i)(A) relating to the Improvements shall also name Landlord as "loss payee";

11/08/2007

117

(ii) shall be delivered to Landlord, in the form of an insurance certificate acceptable to Landlord as evidence of such policy, prior to the Lease Commencement Date and thereafter within thirty (30) days prior to the expiration of each such policy, and, as often as any such policy shall expire or terminate. Renewal or additional policies shall be procured and maintained by Tenant in like manner and to like extent;

(iii) shall contain a provision that the insurer will give to Landlord and such other parties in interest at least thirty (30) days notice in writing in advance of any material change, cancellation, termination or lapse, or the effective date of any reduction in the amounts of insurance; and

(iv) shall be written as a primary policy which does not contribute to and is not in excess of coverage which Landlord may carry.

(e) In the event that Tenant shall fail to carry and maintain the insurance coverages set forth in this Section 8, Landlord may upon thirty (30) days notice to Tenant (unless such coverages will lapse in which event no such notice shall be necessary) procure such policies of insurance and Tenant shall promptly reimburse Landlord therefor.

(f) Landlord and Tenant hereby waive any rights each may have against the other on account of any loss or damage occasioned to Landlord or Tenant, as the case may be, their respective property, the Demised Premises, its contents or to the other portions of the Building, arising from any risk covered by "Special Form" fire and extended coverage insurance of the type and amount required to be carried hereunder, provided that such waiver does not invalidate such policies or prohibit recovery thereunder. The parties hereto shall cause their respective insurance companies insuring the property of either Landlord or Tenant against any such loss, to waive any right of subrogation that such insurers may have against Landlord or Tenant, as the case may be.

9. Utilities During the Term, Tenant shall promptly pay as billed to Tenant all rents and charges for water and sewer services and all costs and charges for gas, steam, electricity, fuel, light, power, telephone, heat and any other utility or service used or consumed in or servicing the Demised Premises and all other costs and expenses involved in the care, management and use thereof as charged by the applicable utility companies. To the extent possible, all such utilities, except for sewer shall be separately metered and billed to Tenant, and Tenant shall establish an account with the utility provider with respect to each such separately metered utility. Sewer shall not be separately metered, and shall be billed to Tenant by Landlord, at Landlord's actual cost, in an amount equal to a reasonable estimation of such utility actually used by Tenant. Tenant's obligation for payment of all utilities shall commence on the earlier of the Lease Commencement Date or the date of Tenant's actual occupancy of all or any portion of the Demised Premises, including any period of occupancy prior to the Lease Commencement Date, regardless of whether or not Tenant conducts business operations during such period of occupancy. In the event Tenant's use of any utility not separately metered is in excess of the average use by other tenants, Landlord shall have the right to install a meter for such utility, at Tenant's expense, and bill Tenant for Tenant's actual use. If Tenant fails to pay any utility bills or charges, Landlord may, at its option and upon reasonable notice to Tenant, pay the same and in such event, the amount of such payment, together with interest thereon at the Interest Rate as defined in Section 32 from the date of such payment by Landlord, will be added to Tenant's next payment due as Additional Rent. Notwithstanding the foregoing, if: (i) such utility service is interrupted solely because of the acts of Landlord, its employees, agents or contractors; (ii) Tenant notifies Landlord of such interruption in writing (the "Interruption Notice"); (iii) such interruption does not arise in whole or in part as a result of an act or omission of Tenant, its employees, agents, invitees or contractors; (iv) such interruption is not caused by a fire or other casualty; (v) the repair or restoration of such service is the responsibility of and is reasonably within the control of Landlord; and (vi) as a result of such interruption, the Demised Premises or a material portion thereof is rendered untenantable (meaning that Tenant is unable to use the Demised Premises in the normal course of its business) and Tenant in fact ceases to use the Demised Premises, or material portion thereof, then, Tenant's sole remedy for such interruption shall be as follows: on the third (3rd) consecutive business day following the later to occur of (a) the date the Demised Premises (or material portion thereof) becomes untenantable, (b) the date Tenant ceases to use such space and (c) the date Tenant provides Landlord with an Interruption Notice, the Base Rent payable hereunder shall be abated on a pro rata basis for each day after such three (3) business day period based upon the percentage of the Demised Premises so rendered untenantable and not used by Tenant, and such abatement shall continue until the date the Demised Premises or the applicable portions thereof become tenantable again.

10. Maintenance and Repairs.

(a) Tenant shall, at its own cost and expense, maintain in good condition and repair and replace as necessary the interior of the Demised Premises, including but not limited to the heating, air conditioning and ventilation systems, glass, windows and doors, sprinkler, all plumbing and sewage systems, fixtures, interior walls, floors (including floor slabs), ceilings, storefronts, plate glass, skylights, all electrical facilities and equipment including, without limitation, lighting fixtures, lamps, fans and any exhaust equipment and systems, electrical motors, and all other appliances and equipment (including, without limitation, dock levelers, dock shelters, dock seals and dock lighting) of every kind and nature located in, upon or about the Demised Premises, except as to such maintenance, repair and replacement as

41/08/2007

41/08

is the obligation of Landlord pursuant to Section 10(b). During the Term, Tenant shall maintain in full force and effect a service contract for the maintenance of the heating, ventilation and air conditioning systems with an entity reasonably acceptable to Landlord. Tenant shall deliver to Landlord (i) a copy of said service contract prior to the Lease Commencement Date, and (ii) thereafter, a copy of a renewal or substitute service contract within thirty (30) days prior to the expiration of the existing service contract. Tenant's obligation shall exclude any maintenance, repair and replacement required because of the act or negligence of Landlord, its employees, contractors or agents, which shall be the responsibility of Landlord.

(b) Landlord shall, at its own cost and expense, maintain in good condition and repair the foundation (beneath the floor slab), the roof and structural frame of the Building. Landlord's obligation shall exclude the cost of any maintenance or repair required because of the act or negligence of Tenant or any of Tenant's subsidiaries or affiliates, or any of Tenant's or such subsidiaries' or affiliates' agents, contractors, employees, licensees or invitees (collectively, "Tenant's Affiliates"), the cost of which shall be the responsibility of Tenant. Landlord shall never have any obligation to repair, maintain or replace, pursuant to this subsection 10(b) or any other provision of this Lease, any Tenant's Chicago (as defined in Section 18 hereof). If Landlord fails to make any repairs or to perform any maintenance required of Landlord hereunder and within Landlord's reasonable control, and such failure shall persist for an unreasonable time (not less than thirty (30) days or, in the event Landlord's failure to make any such repair or perform any such maintenance results in the inability of Tenant to conduct its business at the Demised Premises for a period in excess of forty eight (48) hours) after written notice of the need for such repairs or maintenance is given to Landlord (unless Landlord has commenced such repairs or maintenance during such period and is diligently pursuing the same, Tenant may (but shall not be required to) following a second notice (which notice shall have a heading in at least 12-point type, bold and all caps "FAILURE TO RESPOND SHALL RESULT IN TENANT EXERCISING SELF-HELP RIGHTS") with a specific description of the work to be performed by Tenant and the name of Tenant's contractor, and Landlord's failure to commence repairs within forty eight (48) hours after receipt of such second notice, perform such repairs or maintenance in accordance with the provisions of this Lease governing Tenant's repairs and Tenant Changes and Landlord shall reimburse Tenant for the reasonable, actual costs and expenses therefor within thirty (30) days after receipt of adequate invoices and back-up documentation substantiating said cost, less any amounts otherwise reimbursable to Tenant under any insurance policies carried by Tenant.

(c) Unless the same is caused solely by the negligent action or inaction of Landlord, its employees or agents, and is not covered by the insurance required to be carried by Tenant pursuant to the terms of this Lease, Landlord shall not be liable to Tenant or to any other person for any damage occasioned by failure in any utility system or by the burning or leaking of any vessel or pipe in or about the Demised Premises, or for any damage occasioned by water coming into the Demised Premises or arising from the acts or neglects of occupants of adjacent property or the public.

11. **Tenant's Personal Property Indemnity.** All of Tenant's personal property in the Demised Premises shall be and remain at Tenant's sole risk. Landlord, its agents, employees and contractors, shall not be liable for, and Tenant hereby releases Landlord from, any and all liability for theft thereof or any damage thereto occasioned by any act of God or by any acts, omissions or negligence of any persons. Landlord, its agents, employees and contractors, shall not be liable for any injury to the person or property of Tenant or other persons in or about the Demised Premises, Tenant expressly agreeing to indemnify and save Landlord, its agents, employees and contractors, harmless, in all such cases, except, in the case of personal injury only, to the extent caused by the negligence of Landlord, its agents, employees and contractors (and to such extent, Landlord expressly agrees to indemnify and save Tenant, its agents, employees and contractors, harmless); provided, however, that in the case of property damage caused by the negligence of Landlord, its agents, employees and contractors, but without otherwise limiting or impairing the waivers contained in Section 8(d) hereof, Landlord shall reimburse Tenant for the amount of any commercially reasonable deductible payable by Tenant under its insurance policy covering such property, up to but not to exceed \$5,000.00. Tenant further agrees to indemnify and reimburse Landlord for any costs or expenses, including, without limitation, attorneys' fees, that Landlord reasonably may incur in investigating, handling or litigating any such claim against Landlord by a third person, unless such claim arose from the negligence of Landlord, its agents, employees or contractors. The provisions of this Section 11 shall survive the expiration or earlier termination of this Lease with respect to any damage, injury or death occurring before such expiration or termination.

12. **Tenant's Fixtures.** Tenant shall have the right to install in the Demised Premises trade fixtures required by Tenant or used by it in its business, and if installed by Tenant, to remove any or all such trade fixtures from time to time during and upon termination or expiration of this Lease, provided no Event of Default, as defined in Section 22, then exists; provided, however, that Tenant shall repair and restore any damage or injury to the Demised Premises (to the condition in which the Demised Premises existed prior to such installation) caused by the installation and/or removal of any such trade fixtures. Landlord and Tenant acknowledge and agree that Tenant's racking and conveyor belt system shall at all times be considered and remain the personal property of Tenant and shall be removed by Tenant upon expiration or earlier termination of this Lease and that Tenant shall repair any damage or injury to the Demised Premises (and restore the Demised Premises to the condition in which the Demised Premises existed prior to such installation) caused by the installation and/or removal of the racking and conveyor belt system.

13. **Signs.** No sign, advertisement or notice shall be inscribed, painted, affixed, or displayed on the windows or exterior walls of the Demised Premises or on any public area of the Building, except in such

11/08/2007

11/9

places, numbers, sizes, colors and styles as are approved in advance in writing by Landlord, and which conform to all applicable laws, ordinances, or covenants affecting the Demised Premises. Any and all signs installed or constructed by or on behalf of Tenant pursuant hereto shall be installed, maintained and removed by Tenant at Tenant's sole cost and expense. During the Initial Term, Tenant shall have the non-exclusive right to place its name on the Building in such location as is reasonably acceptable to Landlord (the "Signage"). The Signage shall be installed and maintained in accordance with all terms of this Lease and at Tenant's sole cost and expense throughout the Term and the installation, maintenance and removal of the Signage shall be completed lien free. The rights of Tenant under this paragraph: (i) are personal to Tenant and may not be assigned to any other party, including without limitation any assignee or subtenant; (ii) are terminable by Landlord following any default not cured within applicable cure periods; and (iii) are terminable by Landlord if Tenant reduces the size of the Demised Premises, notwithstanding the consent of Landlord thereto. The location, size, material and design of the Signage shall be subject to the prior written approval of Landlord, and Tenant shall be responsible for compliance with Laws in connection with the Signage. Upon the expiration or earlier termination of this Lease or the termination of Tenant's sign rights as set forth herein, Tenant shall remove the Signage, at Tenant's sole cost and expense, and restore the Building to its condition immediately prior to the installation of the Signage. If Tenant fails to timely remove the Signage, then the Signage shall conclusively be deemed to have been abandoned by Tenant and may be appropriated, sold, stored, destroyed, or otherwise disposed of by Landlord without further notice to Tenant or any other person and without obligation to account therefor. Tenant shall reimburse Landlord for all reasonable costs incurred by Landlord in connection therewith within ten (10) days of Landlord's invoice. The provisions of this paragraph shall survive the expiration or earlier termination of the Lease.

14. **Landlord's Lien.** Notwithstanding any other provision hereof to the contrary, Tenant does hereby grant to Landlord, and Landlord shall have at all times, a security interest in and a valid first lien upon all of the personal property and trade fixtures of Tenant situated in and upon the Demised Premises to secure the obligations of Tenant for all Base Rent, Additional Rent and other sums to become due hereunder and the performance by Tenant of each and all of Tenant's other covenants and obligations hereunder. The security interest and lien granted herein may be foreclosed in the manner and form provided by law for the foreclosure of chattel mortgages or in any other manner provided or permitted by law. Landlord agrees to subordinate its foregoing contractual lien rights to a third party providing furniture, fixtures and/or equipment for Tenant's use in the Demised Premises during the Term (the "Collateral"), or providing funds for the acquisition of same or any other financing to Tenant which requires a pledge of the Collateral, provided that: (i) there is no unsecured Event of Default by Tenant under this Lease at the time of such subordination; (ii) such subordination shall be limited to the Collateral and time stated in the subordinating instrument; and (iii) such subordination shall be in writing, signed by all parties and in a form reasonably acceptable to Landlord.

15. **Governmental Regulations.** Tenant shall promptly comply throughout the Term, at Tenant's sole cost and expense, with all present and future laws, ordinances, orders, rules, regulations or requirements of all federal, state and municipal governments and appropriate departments, commissions, boards and officers thereof (collectively, "Governmental Requirements") relating to (a) all or any part of the Demised Premises, and (b) the use or manner of use of the Demised Premises and the manner of use and use by Tenant of the Building Common Area. Tenant shall also observe and comply with the requirements of all policies of public liability, fire and other policies of insurance at any time in force with respect to the Demised Premises. Without limiting the foregoing, if as a result of one or more Governmental Requirements it is necessary, from time to time during the Term, to perform an alteration or modification of the Demised Premises or the Building Common Area (a "Code Modification") which is made necessary as a result of the specific use being made by Tenant of the Demised Premises or a Tenant's Change, then such Code Modification shall be the sole and exclusive responsibility of Tenant in all respects; any such Code Modification shall be promptly performed by Tenant at its expense in accordance with the applicable Governmental Requirement and with Section 18 hereof except to the extent such Code Modification arises as a result of the failure of the initial construction of the Building and/or Improvements made by Landlord pursuant to Section 17 hereinafter (to be in compliance with Governmental Requirements in effect as of the Lease Date (without regard to Tenant's specific use), in which event any such Code Modification shall be the sole and exclusive responsibility of Landlord in all respects and any such Code Modification shall be promptly performed by Landlord at its expense in accordance with the applicable Governmental Requirement. Furthermore, if as a result of one or more Governmental Requirements it is necessary from time to time during the Term to perform a Code Modification which (i) would be characterized as a capital expenditure under generally accepted accounting principles and (ii) is not made necessary as a result of the specific use being made by Tenant of the Demised Premises (as distinguished from an alteration or modification which would be required to be made by the owner of any warehouse-office building comparable to the Building irrespective of the use thereof by any particular occupant) or a Tenant's Change, then (a) Landlord shall have the obligation to perform the Code Modification at its expense, (b) the cost of such Code Modification shall be amortized on a straight-line basis over the useful life of the item in question, as reasonably determined by Landlord, and (c) Tenant shall be obligated to pay (as Additional Rent, payable in the same manner and upon the same terms and conditions as the Base Rent reserved hereunder) for (i) Tenant's proportionate share (based on Tenant's Operating Expense Percentage) of the portion of such amortized costs attributable to the remainder of the Term, including any extensions thereof, with respect to any Code Modification respecting the Building Common Area, and (ii) the entire portion of such amortized costs attributable to the remainder of the Term, including any extensions thereof, with respect to any Code Modification respecting the Demised Premises (except to the extent Landlord is required to perform the Code Modification pursuant to the immediately preceding sentence of this Section

11/08/2007

1120

15 or pursuant to Section 17(e) hereinafter and/or Special Stipulation 6 of Exhibit C attached hereto). Tenant shall promptly send to Landlord a copy of any written notice received by Tenant requiring a Code Modification.

16. Environmental Matters.

(a) For purposes of this Lease:

(i) "Contamination" as used herein means the presence of or release of Hazardous Substances (as hereinafter defined) into any environmental media from, upon, within, below, into or on any portion of the Demised Premises, the Building, the Building Common Area or the Project so as to require remediation, cleanup or investigation under any applicable Environmental Law (as hereinafter defined).

(ii) "Environmental Laws" as used herein means all federal, state, and local laws, regulations, orders, permits, ordinances or other requirements, which exist now or as may exist hereafter, concerning protection of human health, safety and the environment, all as may be amended from time to time including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 et seq. ("CERCLA") and the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et seq. ("RCRA").

(iii) "Hazardous Substances" as used herein means any hazardous or toxic substance, material, chemical, pollutant, contaminant or waste as those terms are defined by any applicable Environmental Laws and any solid wastes, polychlorinated biphenyls, urea formaldehyde, asbestos, radioactive materials, radon, explosives, petroleum products and oil.

(b) Landlord represents that, except as revealed to Tenant in writing by Landlord, to Landlord's actual knowledge, Landlord has not treated, stored or disposed of any Hazardous Substances upon or within the Demised Premises, nor, to Landlord's actual knowledge, has any predecessor owner of the Demised Premises.

(c) Tenant covenants that all its activities, and the activities of Tenant's Affiliates (as defined in Section 10(b)), on the Demised Premises, the Building, or the Project during the Term will be conducted in compliance with Environmental Laws. Tenant warrants that it is currently in compliance with all applicable Environmental Laws and that there are no pending or threatened notices of deficiency, notices of violation, orders, or judicial or administrative actions involving alleged violations by Tenant of any Environmental Laws. Tenant, at Tenant's sole cost and expense, shall be responsible for obtaining all permits or licenses or approvals under Environmental Laws necessary for Tenant's operation of its business on the Demised Premises and shall make all notifications and registrations required by any applicable Environmental Laws. Tenant, at Tenant's sole cost and expense, shall at all times comply with the terms and conditions of all such permits, licenses, approvals, notifications and registrations and with any other applicable Environmental Laws. Tenant warrants that it has obtained all such permits, licenses or approvals and made all such notifications and registrations required by any applicable Environmental Laws necessary for Tenant's operation of its business on the Demised Premises.

(d) Tenant shall not cause or permit any Hazardous Substances to be brought upon, kept or used in or about the Demised Premises, the Building, or the Project without the prior written consent of Landlord, which consent shall not be unreasonably withheld; provided, however, that the consent of Landlord shall not be required for the use at the Demised Premises of cleaning supplies, toner for photocopying machines and other similar materials, in containers and quantities reasonably necessary for and consistent with normal and ordinary use by Tenant in the routine operation or maintenance of Tenant's office equipment or in the routine janitorial service, cleaning and maintenance for the Demised Premises. For purposes of this Section 16, Landlord shall be deemed to have reasonably withheld consent if Landlord determines that the presence of such Hazardous Substance within the Demised Premises could result in a risk of harm to person or property or otherwise negatively affect the value or marketability of the Building or the Project.

(e) Tenant shall not cause or permit the release of any Hazardous Substances by Tenant or Tenant's Affiliates into any environmental media such as air, water or land, or into or on the Demised Premises, the Building or the Project in any manner that violates any Environmental Laws. If such release shall occur, Tenant shall (i) take all steps reasonably necessary to contain and control such release and any associated Contamination, (ii) clean up or otherwise remedy such release and any associated Contamination to the extent required by, and take any and all other actions required under, applicable Environmental Laws and (iii) notify and keep Landlord reasonably informed of such release and response.

(f) Regardless of any consents granted by Landlord pursuant to Section 16(d) allowing Hazardous Substances upon the Demised Premises, Tenant shall under no circumstances whatsoever cause or permit (i) any activity on the Demised Premises which would cause the Demised Premises to become subject to regulation as a hazardous waste treatment, storage or disposal facility under RCRA or the regulations promulgated thereunder, (ii) the discharge of Hazardous Substances into the storm sewer system serving the Project or (iii) the installation of any underground storage tank or underground piping on or under the Demised Premises.

11/08/2007

11/08/2007

(g) Tenant shall and hereby does indemnify Landlord and hold Landlord harmless from and against any and all expense, loss, and liability suffered by Landlord (except to the extent that such expense, loss, and liability arise out of Landlord's own negligence or willful act), by reason of the storage, generation, release, handling, treatment, transportation, disposal, or arrangement for transportation or disposal, of any Hazardous Substances (whether accidental, intentional, or negligent) by Tenant or Tenant's Affiliates or by reason of Tenant's breach of any of the provisions of this Section 16. Such expense, losses and liabilities shall include, without limitation, (i) any and all expenses that Landlord may incur to comply with any Environmental Laws; (ii) any and all costs that Landlord may incur in studying or remedying any Contamination at or arising from the Demised Premises, the Building, or the Project; (iii) any and all costs that Landlord may incur in studying, removing, disposing or otherwise addressing any Hazardous Substances; (iv) any and all fines, penalties or other sanctions assessed upon Landlord; and (v) any and all legal and professional fees and costs incurred by Landlord in connection with the foregoing. The indemnity contained herein shall survive the expiration or earlier termination of this Lease.

(g) Landlord shall indemnify Tenant and hold Tenant harmless from and against any and all expenses, losses and liabilities actually suffered by Tenant (with the exception of any and all consequential damages, including but not limited to the loss of use of the Demised Premises, lost profits and loss of business, and those expenses, losses, and liabilities arising from Tenant's own negligence or willful act or Tenant or Tenant's Affiliates) is a result of a governmental authority having jurisdiction ordering a cleanup, removal or other remediation by Tenant of any Hazardous Substances placed on, under or about the Demised Premises by Landlord. Notwithstanding the foregoing, Landlord shall have the right to undertake and perform any studying, remedying, removing or disposing of, or otherwise addressing, any Contamination which is the responsibility of Landlord hereunder and to control all communications with regulatory or governmental agencies with respect thereto, and Tenant shall not perform such acts and communications nor be entitled to any indemnification hereunder unless (w) Tenant is specifically required by Environmental Laws to perform such acts, (x) Tenant notifies Landlord of such Contamination promptly after Tenant has actual knowledge or reasonable belief of its existence, (y) Tenant promptly provides copies to Landlord of any notices given or received by Tenant related to such Contamination and (z) Landlord has failed or refused to perform such acts and communications after having been afforded reasonable written notice by Tenant and having had reasonable opportunity to perform such acts and communications.

17. Construction of Demised Premises.

(a) Within thirty (30) days after the Lease Date, Landlord shall prepare, at Landlord's sole cost and expense, and submit to Tenant a set of plans and specifications and/or construction drawings (collectively, the "Plans and Specifications") based on the preliminary plans and specifications and/or preliminary floor plans set forth on Exhibit B attached hereto and incorporated herein, covering all work to be performed by Landlord (at Landlord's sole cost and expense except as hereinafter set forth in this Section 17(a) and Special Stipulation 2(a)) in constructing the Improvements (as defined in Section 8(a)(ii)). Tenant shall have ten (10) days after receipt of the Plans and Specifications in which to review and to give to Landlord written notice of its approval of the Plans and Specifications or its requested changes to the Plans and Specifications. Tenant shall have no right to request any changes to the Plans and Specifications which would materially alter either the Demised Premises or the exterior appearance or basic nature of the Building, as the same are contemplated by the Preliminary Plans. If Tenant fails to approve or request changes to the Plans and Specifications by ten (10) days after its receipt thereof, then Tenant shall be deemed to have approved the Plans and Specifications and the same shall thereupon be final. If Tenant requests any changes to the Plans and Specifications, Landlord shall make those changes which are reasonably requested by Tenant and shall within ten (10) days of its receipt of such request submit the revised portion of the Plans and Specifications to Tenant. Tenant may not thereafter disapprove the revised portions of the Plans and Specifications unless Landlord has unreasonably failed to incorporate reasonable comments of Tenant and, subject to the foregoing, the Plans and Specifications, as modified by said revisions, shall be deemed to be final upon the submission of said revisions to Tenant. Landlord and Tenant shall at all times in their review of the Plans and Specifications, and of any revisions thereto, act reasonably and in good faith. Tenant acknowledges that the Improvements are being constructed on a "fast track" basis and that Landlord shall have the right and option to submit various parts of the proposed Plans and Specifications from time to time during said thirty (30) day period and the time period for approval of any part of the proposed Plans and Specifications shall commence upon receipt of each submission. The date on which Tenant approves or is deemed to have approved the Plans and Specifications is hereinafter referred to as the "Approval Date". After Tenant has approved the Plans and Specifications or the Plans and Specifications have otherwise been finalized pursuant to the procedures set forth hereinabove, any subsequent changes to the Plans and Specifications requested by Tenant (herein referred to as a "Change Order") shall be at Tenant's sole cost and expense and subject to Landlord's written approval, which approval shall not be unreasonably withheld, conditioned or delayed. In the event Landlord approves any such requested Change Order, Landlord shall give written notice thereof to Tenant, which notice will specify the Change Order approved by Landlord as well as the estimated incremental cost thereof. The cost to Tenant for Change Orders shall be Landlord's incremental cost plus fifteen percent (15%) of such amount as Landlord's overhead. Tenant acknowledges and agrees that Landlord shall be under no obligation to proceed with any work related to the approved Change Order unless and until Tenant delivers to Landlord an amount equal to the full estimated incremental cost of such approved Change Order as set forth in Landlord's notice. When the final incremental cost of any such Change Order has been determined and incurred, Landlord and Tenant each agree to pay or refund the amounts owed to the other with respect to

11/08/2007

122

such Change Order, based on the estimated payment made to Landlord. If after the Plans and Specifications have been finalized pursuant to the procedures set forth hereinabove Tenant requests a Change Order or any further changes to the Plans and Specifications and, as a result thereof, Substantial Completion (as hereinafter defined) of the Improvements is delayed (such delay to be referred to herein as "Tenant Delay"), then for purposes of establishing any date tied to the date of Substantial Completion, Substantial Completion shall be deemed to mean the date when Substantial Completion would have been achieved but for such Tenant delay. Notwithstanding the foregoing, any changes to the Plans and Specifications required by Landlord as a result of any Law applicable to industrial warehouse and/or distribution facilities generally (and without respect to the Improvements or Tenant's intended use of the Demised Premises), shall be the sole responsibility of Landlord; provided that Landlord shall obtain Tenant's approval, which approval shall not be unreasonably withheld, conditioned or delayed, for any such change by Landlord that will materially affect Tenant's use of or access to the Demised Premises.

(b) Landlord shall schedule and attend periodic progress meetings (not more than once per month), walk-throughs and any other reasonably requested meetings with the architect, the contractor performing the construction work and Tenant to discuss the progress of the construction of the Improvements ("Meetings"). Landlord shall give Tenant approximately seven (7) days prior notice (written or telephonic) of all such Meetings. Tenant shall designate in writing the person or persons appointed by Tenant to attend the Meetings and such designated party shall be entitled to be present at and to participate in the discussions during all Meetings; but Landlord may conduct the Meetings even if Tenant's appointees are not present. In addition to the foregoing and to Tenant's early entry rights as provided in Special Stipulation 5 of Exhibit "C" attached hereto, Tenant or its agents shall have the right at reasonable times to conduct inspections, tests, surveys and reports of work in progress ("Inspections") for the purpose of reviewing whether the Improvements are being constructed in accordance with the Plans and Specifications, provided Tenant shall not interfere with Landlord's completion of the Improvements. Landlord shall use reasonable speed and diligence to Substantially Complete the Improvements, at Landlord's sole cost and expense, and have the Demised Premises ready for occupancy on or before August 1, 2003, provided that Landlord shall not be liable to Tenant in any way for achieving Substantial Completion after such target date, and any such failure to complete by such target date shall not in any way affect the obligations of Tenant hereunder. No liability whatsoever shall arise or accrue against Landlord by reason of its failure to deliver or afford possession of the Demised Premises, and Tenant hereby releases and discharges Landlord from and of any claims for damage, loss, or injury of every kind whatsoever as if this Lease were never executed.

(c) Upon Substantial Completion of the Demised Premises, a representative of Landlord and a representative of Tenant together shall inspect the Demised Premises and generate a punchlist of defective or uncompleted items relating to the completion of construction of the Improvements (the "Punchlist"). Landlord shall, within a reasonable time after the Punchlist is prepared and agreed upon by Landlord and Tenant, complete such incomplete work and remedy such defective work as is set forth on the Punchlist. Subject to Landlord's Warranty (as hereinafter defined), all construction work performed by Landlord shall be deemed approved by Tenant in all respects except for items of said work which are not completed or do not conform to the Plans and Specifications and which are included on the Punchlist.

(d) Upon Substantial Completion of the Demised Premises and the creation of the Punchlist, Tenant shall execute and deliver to Landlord a letter of acceptance in which Tenant (i) accepts the Demised Premises subject only to Landlord's completion of the items listed on the Punchlist and (ii) confirms the Lease Commencement Date, the Base Rent Commencement Date and the Expiration Date. Within thirty (30) calendar days after substantial completion of the Demised Premises, Landlord shall deliver to Tenant a written certification of an architect, duly licensed as such under the laws of the State of Mississippi, of the square footage contained in the Building and in the Demised Premises, based on a "dip-line" measurement from the outside of the exterior walls of the Building and the Demised Premises. The square footage so certified by such architect shall conclusively determine the Building Square Footage and the square footage of the Demised Premises for all purposes under this Lease, including, without limitation, calculation of Base Rent and Tenant's Operating Expense Percentage. The Annual Base Rent and Monthly Base Rent Installments shall be adjusted on the basis of the square footage of the Building and the Demised Premises so certified by such architect, using the per square foot rental rates set forth in Section 1 of this Lease. The letter of acceptance from Tenant shall also confirm the final square footage of the Building and the Demised Premises and Tenant's Operating Expense Percentage.

(e) Landlord hereby warrants to Tenant, which warranty ("Landlord's Warranty") shall survive for the one (1) year period following the Lease Commencement Date (the "Warranty Period"), that (i) the materials and equipment furnished by Landlord's contractors in the completion of the Improvements and the Building will be of good quality and new, and (ii) such materials and equipment and the work of such contractors shall be free from defects not inherent in the quality required or permitted hereunder. This warranty shall exclude damages or defects caused by Tenant or Tenant's Affiliates, improper or insufficient maintenance, improper operation, and normal wear and tear under normal usage. Landlord grants to Tenant, until the expiration or earlier termination of the Term, without recourse or warranty, a non-exclusive right during the Term to exercise Landlord's rights under any warranties obtained with respect to the heating, ventilation and air conditioning system, or any other portions of the Improvements within the Demised Premises required to be maintained or repaired by Tenant pursuant to this Lease.

LE 108 2007

273

(f) For purposes of this Lease, the term "Substantial Completion" (or any variation thereof) shall mean completion of construction of the Improvements in accordance with the Plans and Specifications, subject only to Punchlist items established pursuant to Section 17(o), as established by the delivery by Landlord to Tenant of a certificate of occupancy or its equivalent (or temporary certificate of occupancy or its equivalent, which is subject only to work or improvements to be performed or installed by Tenant) for the Demised Premises issued by the appropriate governmental authority, if a certificate is so required by a governmental authority, or if not so required or if unavailable because of unfinished work to be performed by Tenant, then by the delivery by Landlord to Tenant of a Certificate of Substantial Completion for the Improvements on Standard AIA Form G-704 certified by Landlord's architect. In the event Substantial Completion is delayed because of Tenant's failure to approve the Plans and Specifications as set forth in Section 17(a), by change orders requested by Tenant after approval of the Plans and Specifications or by any other delay caused by Tenant or Tenant's Affiliate, then for the purpose of establishing the Lease Commencement Date and any other date tied to the date of Substantial Completion, Substantial Completion shall be deemed to mean the date when Substantial Completion would have been achieved but for such delay.

18. Tenant Alterations and Additions

(a) Tenant shall not make or permit to be made any alterations, improvements, or additions to the Demised Premises (a "Tenant's Change"), without first obtaining on each occasion Landlord's prior written consent (which consent Landlord agrees not to unreasonably withhold) and Landlord's prior written consent (if such consent is required). As part of its approval process, Landlord may require that Tenant submit plans and specifications to Landlord, for Landlord's approval or disapproval, which approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, Tenant shall not be obligated to receive the written consent of Landlord for interior Tenant's Changes to the Demised Premises if said Tenant's Changes are not structural in nature and do not impair the building systems or structural integrity of the Building, do not exceed the total amount of Twenty-Five Thousand Dollars (\$25,000.00) in the aggregate in any calendar year and the total amount of such Tenant's Changes do not exceed One Hundred Fifty Thousand Dollars (\$150,000.00) in the aggregate over the term of the Lease, and Tenant is not required by applicable law to obtain a permit to perform the Tenant's Change (provided that in the event the consent of Landlord is not required, Tenant shall, at its sole cost and expense and at Landlord's option upon the termination or expiration of this Lease, remove the same and restore the Demised Premises to its condition prior to such Tenant's Change). All Tenant's Changes shall be performed in accordance with all legal requirements applicable thereto and in a good and workmanlike manner with first-class materials. Tenant shall maintain insurance reasonably satisfactory to Landlord during the construction of all Tenant's Changes. If Landlord at the time of giving its approval to any Tenant's Change notifies Tenant in writing that approval is conditioned upon restoration, then Tenant shall, at its sole cost and expense and at Landlord's option upon the termination or expiration of this Lease, remove the same and restore the Demised Premises to its condition prior to such Tenant's Change. Notwithstanding the foregoing, upon Tenant's request at the time it seeks Landlord's consent to a Tenant's Change, Landlord agrees to indicate in writing whether it will require such alteration to be removed upon the expiration or earlier termination of the Lease (provided that no such early election shall be required by Landlord in the event Tenant does not request the consent of Landlord to the Tenant's Change). No Tenant's Change shall be structural in nature or impair the structural strength of the Building or reduce its value. Tenant shall pay the full cost of any Tenant's Change and shall give Landlord such reasonable security as may be requested by Landlord to insure payment of such cost. Except as otherwise provided herein and in Section 17, all Tenant's Changes and all repairs and all other property attached to or installed on the Demised Premises by or on behalf of Tenant shall immediately upon completion or installation thereof be and become part of the Demised Premises and the property of Landlord without payment therefor by Landlord and shall be surrendered to Landlord upon the expiration or earlier termination of this Lease. Landlord hereby approves Tenant's plans and specifications in connection with the installation of its conveyor belt system, which are attached hereto as Exhibit H, and such installation shall not be considered a Tenant's Change.

(b) To the extent permitted by law, all of Tenant's contracts and subcontracts for such Tenant's Changes shall provide that no lien shall attach to or be claimed against the Demised Premises or any interest therein other than Tenant's leasehold interest in the Demised Premises, and that all subcontracts let thereunder shall contain the same provision. Whether or not Tenant furnishes the foregoing, Tenant agrees to hold Landlord harmless against all liens, claims and liabilities of every kind, nature and description which may arise out of or in any way be connected with such work. Tenant shall not permit the Demised Premises to become subject to any mechanic's, laborer's or materialman's lien on account of labor, material or services furnished to Tenant or claimed to have been furnished to Tenant in connection with work of any character performed or claimed to have been performed for the Demised Premises by, or at the direction or sufferance of Tenant and if any such liens are filed against the Demised Premises, Tenant shall promptly discharge the same; provided, however, that Tenant shall have the right to contest, in good faith and with reasonable diligence, the validity of any such lien or claimed lien if Tenant shall give to Landlord, within fifteen days after demand, such security as may be reasonably satisfactory to Landlord to assure payment thereof and to prevent any sale, foreclosure, or forfeiture of Landlord's interest in the Demised Premises by reason of non-payment thereon; provided further that on final determination of the lien or claim for lien, Tenant shall immediately pay any judgment rendered, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to post such security or does not diligently contest such lien, Landlord may, without investigation of the validity of the lien claim, discharge such lien and Tenant shall reimburse Landlord upon demand for all costs and expenses incurred

in connection therewith, which expenses shall include any attorneys' fees, paralegals' fees and any and all costs associated therewith, including litigation through all trial and appellate levels and any costs in posting bond to effect a discharge or release of the lien. Nothing contained in this Lease shall be construed as a consent on the part of Landlord to subject the Demised Premises to liability under any lien law now or hereafter existing of the state in which the Demised Premises are located.

19. Services by Landlord Landlord shall be responsible for providing for maintenance of the Building Common Area, and, except as required by Section 6(a) or 10(b) hereof or as otherwise specifically provided for herein, Landlord shall be responsible for no other services whatsoever. Tenant, by payment of Tenant's share of the Operating Expenses, shall pay Tenant's pro rata share of the expenses incurred by Landlord hereunder.

20. Fire and Other Casualty In the event the Demised Premises are damaged by fire or other casualty insured by Landlord, Landlord agrees to promptly restore and repair the Demised Premises at Landlord's expense, including the improvements to be insured by Tenant but only to the extent Landlord receives insurance proceeds therefor, including the proceeds from the insurance required to be carried by Tenant on the improvements. Notwithstanding the foregoing, in the event that the Demised Premises are (i) in the reasonable opinion of Landlord, so destroyed that they cannot be repaired or rebuilt within two hundred seventy (270) days after the date of such damage; or (ii) destroyed by a casualty which is not covered by Landlord's insurance, or if such casualty is covered by Landlord's insurance but Lender or other party entitled to insurance proceeds fails to make such proceeds available to Landlord in an amount sufficient for restoration of the Demised Premises, then Landlord shall give written notice to Tenant of such determination (the "Determination Notice") within thirty (30) days of such casualty. Either Landlord or Tenant may terminate and cancel this Lease effective as of the date of such casualty by giving written notice to the other party within thirty (30) days after Tenant's receipt of the Determination Notice. Upon the giving of such termination notice, all obligations hereunder with respect to periods from and after the effective date of termination shall thereupon cease and terminate. If no such termination notice is given, Landlord shall, to the extent of the available insurance proceeds, make such repair or restoration of the Demised Premises to the approximate condition existing prior to such casualty, promptly and in such manner as not to unreasonably interfere with Tenant's use and occupancy of the Demised Premises (if Tenant is still occupying the Demised Premises). Base Rent and Additional Rent shall proportionately abate during the time that the Demised Premises or any part thereof are unusable by reason of any such damage thereto.

21. Condemnation

(a) If all of the Demised Premises is taken or condemned for a public or quasi-public use, or if a material portion of the Demised Premises is taken or condemned for a public or quasi-public use and the remaining portion thereof is not usable by Tenant in the reasonable opinion of Landlord and Tenant, cooperating together in good faith, this Lease shall terminate as of the earlier of the date title to the condemned real estate vests in the condemnor or the date on which Tenant is deprived of possession of the Demised Premises. In such event, the Base Rent herein reserved and all Additional Rent and other sums payable hereunder shall be apportioned and paid in full by Tenant to Landlord to that date, all Base Rent, Additional Rent and other sums payable hereunder prepaid for periods beyond that date shall forthwith be repaid by Landlord to Tenant, and neither party shall thereafter have any liability hereunder, except that any obligation or liability of either party, actual or contingent, under this Lease which has accrued on or prior to such termination date shall survive. Landlord shall promptly notify Tenant upon its receipt of notice of the institution of any condemnation proceedings affecting the Demised Premises.

(b) If only part of the Demised Premises is taken or condemned for a public or quasi-public use and this Lease does not terminate pursuant to Section 21(a), Landlord shall, to the extent of the award it receives, restore the Demised Premises to a condition and to a size as nearly comparable as reasonably possible to the condition and size thereof immediately prior to the taking, and there shall be an equitable adjustment to the Base Rent and Additional Rent based on the actual loss of use of the Demised Premises suffered by Tenant from the taking.

(c) Landlord shall be entitled to receive the entire award in any proceeding with respect to any taking provided for in this Section 21, without deduction therefrom for any estate vested in Tenant by this Lease, and Tenant shall receive no part of such award. Nothing herein contained shall be deemed to prohibit Tenant from making a separate claim, against the condemnor, to the extent permitted by law, for the value of Tenant's moveable trade fixtures, machinery and moving expenses, provided that the making of such claim shall not and does not adversely affect or diminish Landlord's award.

22. Tenant's Default

(a) The occurrence of any one or more of the following events shall constitute an "Event of Default" of Tenant under this Lease:

(i) If Tenant fails to pay Base Rent or any Additional Rent hereunder as and when such rent becomes due and such failure shall continue for more than five (5) days after Landlord gives written notice to Tenant of such failure (provided, however, that if payment of any Base Rent or Additional Rent required hereunder is by check, and following deposit thereof such check is

11/08/2007

225

rejected or returned due to insufficient funds, then such event shall constitute an immediate Event of Default and no such five (5) day notice and cure period shall be required);

(ii) If Tenant fails to pay Base Rent or any Additional Rent on time more than three (3) times in any period of twelve (12) months, notwithstanding that such payments have been made within the applicable cure period;

(iii) If the Demised Premises become vacant, deserted, or abandoned for more than ten (10) consecutive days or if Tenant fails to take possession of the Demised Premises on the Lease Commencement Date or promptly thereafter;

(iv) If Tenant permits to be done anything which creates a lien upon the Demised Premises and fails to discharge or bond such lien, or post security with Landlord acceptable to Landlord within thirty (30) days after receipt by Tenant of written notice thereof;

(v) If Tenant fails to maintain in force all policies of insurance required by this Lease and such failure shall continue for more than ten (10) days after Landlord gives Tenant written notice of such failure;

(vi) If any petition is filed by or against Tenant or any guarantor of this Lease under any present or future section or chapter of the Bankruptcy Code, or under any similar law or statute of the United States or any state thereof (which, in the case of an involuntary proceeding, is not permanently discharged, dismissed, stayed, or vacated, as the case may be, within sixty (60) days of commencement), or if any order for relief shall be entered against Tenant or any guarantor of this Lease in any such proceedings;

(vii) If Tenant or any guarantor of this Lease becomes insolvent or makes a transfer in fraud of creditors or makes an assignment for the benefit of creditors;

(viii) If a receiver, custodian, or trustee is appointed for the Demised Premises or for all or substantially all of the assets of Tenant or of any guarantor of this Lease, which appointment is not vacated within sixty (60) days following the date of such appointment; or

(ix) If Tenant fails to perform or observe any other term of this Lease and such failure shall continue for more than thirty (30) days after Landlord gives Tenant written notice of such failure, or, if such failure cannot be corrected within such thirty (30) day period, if Tenant does not commence to correct such default within said thirty (30) day period and thereafter diligently prosecute the correction of same to completion within a reasonable time.

(b) Upon the occurrence of any one or more Events of Default, Landlord may, at Landlord's option, without any demand or notice whatsoever (except as expressly required in this Section 22):

(i) Terminate this Lease by giving Tenant notice of termination, in which event this Lease shall expire and terminate on the date specified in such notice of termination and all rights of Tenant under this Lease and in and to the Demised Premises shall terminate. Tenant shall remain liable for all obligations under this Lease arising up to the date of such termination, and Tenant shall surrender the Demised Premises to Landlord on the date specified in such notice; or

(ii) Terminate this Lease as provided in Section 22(b)(i) hereof and recover from Tenant all damages Landlord may incur by reason of Tenant's default, including, without limitation, an amount which, at the date of such termination, is calculated as follows: (1) the value of the excess, if any, of (A) the Base Rent, Additional Rent and all other sums which would have been payable hereunder by Tenant for the period commencing with the day following the date of such termination and ending with the Expiration Date had this Lease not been terminated (the "Remaining Term"), over (B) the aggregate reasonable rental value of the Demised Premises for the Remaining Term (which excess, if any shall be discounted to present value at the "Treasury Yield" as defined below for the Remaining Term); plus (2) the costs of recovering possession of the Demised Premises and all other expenses incurred by Landlord due to Tenant's default, including, without limitation, reasonable attorney's fees; plus (3) the unpaid Base Rent and Additional Rent earned as of the date of termination plus any interest and late fees due hereunder, plus other sums of money and damages owing on the date of termination by Tenant to Landlord under this Lease or in connection with the Demised Premises. The amount as calculated above shall be deemed immediately due and payable. The payment of the amount calculated in subparagraph (ii)(1) shall not be deemed a penalty but shall merely constitute payment of liquidated damages, it being understood and acknowledged by Landlord and Tenant that actual damages to Landlord are extremely difficult, if not impossible, to ascertain. "Treasury Yield" shall mean the rate of return in percent per annum of Treasury Constant Maturities for the length of time specified as published in document H.15(519) (presently published by the Board of Governors of the U.S. Federal Reserve System titled "Federal Reserve Statistical Release") for the calendar week immediately preceding the calendar week in which the termination occurs. If the rate of return of Treasury Constant Maturities for the calendar week in question is not published on or before the business day preceding the date of the Treasury Yield in question is to become effective, then the Treasury Yield shall be based upon the rate of return of Treasury Constant Maturities for the length of time specified for the

44-38872007

44-38872007

most recent calendar week for which such publication has occurred. If no rate of return for Treasury Constant Maturities is published for the specific length of time specified, the Treasury Yield for such length of time shall be the weighted average of the rates of return of Treasury Constant Maturities most nearly corresponding to the length of the applicable period specified. If the publishing of the rate of return of Treasury Constant Maturities is ever discontinued, then the Treasury Yield shall be based upon the index which is published by the Board of Governors of the U.S. Federal Reserve System in replacement thereof or, if no such replacement index is published, the index which, in Landlord's reasonable determination, most nearly corresponds to the rate of return of Treasury Constant Maturities. In determining the aggregate reasonable rental value pursuant to subparagraph (i)(1)(B) above, the parties hereby agree that, at the time Landlord seeks to enforce this remedy, all relevant factors should be considered, including, but not limited to, (a) the length of time remaining in the Remaining Term, (b) the then current market conditions in the general area in which the Building is located, (c) the likelihood of reletting the Demised Premises for a period of time equal to the remainder of the Term, (d) the net effective rental rates then being obtained by landlords for similar type spaces of similar size in similar type buildings in the general area in which the Building is located, (e) the vacancy levels in the general area in which the Building is located, (f) current levels of new construction that will be completed during the Remaining Term and how this construction will likely affect vacancy rates and rental rates and (g) inflation; or

(iii) Without terminating this Lease, declare immediately due and payable the sum of the following: (1) the present value (calculated using the "Treasury Yield") of all Base Rent and Additional Rent due and coming due under this Lease for the entire Remaining Term (as if by the terms of this Lease they were payable in advance), plus (2) the cost of recovering and reletting the Demised Premises and all other expenses incurred by Landlord in connection with Tenant's default (but excluding any extraordinary expenses incurred to prepare the Demised Premises for a replacement tenant to the extent such expenses demonstratively exceed those which are at that time currently standard and prevailing for buildings comparable to the Building in the Southaven, Mississippi market area), plus (3) any unpaid Base Rent, Additional Rent and other rentals, charges, assessments and other sums owing by Tenant to Landlord under this Lease or in connection with the Demised Premises as of the date this provision is invoked by Landlord, plus (4) interest on all such amounts from the date due at the Interest Rate, and Landlord may immediately proceed to demand, collect, or bring action for such sum, or may file a proof of claim in any bankruptcy or insolvency proceedings to enforce payment thereof; provided, however, that such payment shall not be deemed a penalty or liquidated damages, but shall merely constitute payment in advance of all Base Rent and Additional Rent payable hereunder throughout the Term, and provided further, however, that upon Landlord receiving such payment, Tenant shall be entitled to receive from Landlord all rents received by Landlord from other assignees, tenants and subtenants on account of said Demised Premises during the remainder of the Term (provided that the monies to which Tenant shall so become entitled shall in no event exceed the entire amount actually paid by Tenant to Landlord pursuant to this subparagraph (iii)), less all costs, expenses and attorneys' fees of Landlord incurred but not yet reimbursed by Tenant in connection with recovering and reletting the Demised Premises; or

(iv) Without terminating this Lease, in its own name but as agent for Tenant, enter into and upon and take possession of the Demised Premises or any part thereof. Any property remaining in the Demised Premises may be removed and stored in a warehouse or elsewhere at the cost of, and for the account of, Tenant without Landlord being deemed guilty of trespass or becoming liable for any loss or damage which may be occasioned thereby unless caused by Landlord's negligence or the negligence of Landlord's employees, agents or contractors. Thereafter, Landlord may, but shall not be obligated to, lease to a third party the Demised Premises or any portion thereof as the agent of Tenant upon such terms and conditions as Landlord may deem necessary or desirable in order to relet the Demised Premises. The remainder of any rentals received by Landlord from such reletting, after the payment of any indebtedness due hereunder from Tenant to Landlord, and the payment of any costs and expenses of such reletting (but excluding any extraordinary expenses incurred to prepare the Demised Premises for a replacement tenant to the extent such expenses demonstratively exceed those which are at that time currently standard and prevailing for buildings comparable to the Building in the Southaven, Mississippi market area), shall be held by Landlord to the extent of and for application in payment of future rent owed by Tenant, if any, as the same may become due and payable hereunder. If such rentals received from such reletting shall at any time or from time to time be less than sufficient to pay to Landlord the entire sums then due from Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Notwithstanding any such reletting without termination, Landlord may at any time thereafter elect to terminate this Lease for any such previous default provided same has not been cured; or

(v) Without terminating this Lease, and with or without notice to Tenant, enter into and upon the Demised Premises and, without being liable for prosecution or any claim for damages therefor, maintain the Demised Premises and repair or replace any damage thereto unless caused by the negligence of Landlord, its employees, agents or contractors or do anything or make any payment for which Tenant is responsible hereunder. Tenant shall reimburse Landlord immediately upon demand for any expenses which Landlord incurs in thus effecting Tenant's compliance under this Lease and Landlord shall not be liable to Tenant for any damages with respect thereto; or

(vi) Without liability to Tenant or any other party and without constituting a constructive or actual eviction, suspend or discontinue furnishing or rendering to Tenant any property, material, labor, utilities or other service, wherever Landlord is obligated to furnish or render the same so long as an Event of Default exists under this Lease; or

11/08/2007

127

(vii) With or without terminating this Lease, allow the Demised Premises to remain unoccupied and collect rent from Tenant as it comes due; or

(viii) Pursue such other remedies as are available at law or equity.

(c) If this Lease shall terminate as a result of or while there exists an Event of Default hereunder, any funds of Tenant held by Landlord may be applied by Landlord to any damages payable by Tenant (whether provided for herein or by law) as a result of such termination or default.

(d) Neither the commencement of any action or proceeding, nor the settlement thereof, nor entry of judgment thereon shall bar Landlord from bringing subsequent actions or proceedings from time to time, nor shall the failure to include in any action or proceeding any sum or sums then due be a bar to the maintenance of any subsequent actions or proceedings for the recovery of such sum or sums so omitted.

(e) No agreement to accept a surrender of the Demised Premises and no act or omission by Landlord or Landlord's agents during the Term shall constitute an acceptance or surrender of the Demised Premises unless made in writing and signed by Landlord. No re-entry or taking possession of the Demised Premises by Landlord shall constitute an election by Landlord to terminate this Lease unless a written notice of such intention is given to Tenant. No provision of this Lease shall be deemed to have been waived by either party unless such waiver is in writing and signed by the party making such waiver. Landlord's acceptance of Base Rent or Additional Rent in full or in part following an Event of Default hereunder shall not be construed as a waiver of such Event of Default. No custom or practice which may grow up between the parties in connection with the terms of this Lease shall be construed to waive or lessen either party's right to insist upon strict performance of the terms of this Lease, without a written notice thereof to the other party.

(f) If an Event of Default shall occur, Tenant shall pay to Landlord, on demand, all expenses incurred by Landlord as a result thereof, including reasonable attorney's fees, court costs and expenses actually incurred.

23. Landlord's Right of Entry. Tenant agrees to permit Landlord and the authorized representatives of Landlord and of Lender to enter upon the Demised Premises at all reasonable times for the purposes of inspecting the Demised Premises and Tenant's compliance with this Lease, and making any necessary repairs thereto; provided that, except in the case of an emergency, Landlord shall give Tenant reasonable prior notice of Landlord's intended entry upon the Demised Premises. Nothing herein shall imply any duty upon the part of Landlord to do any work required of Tenant hereunder, and the performance thereof by Landlord shall not constitute a waiver of Tenant's default in failing to perform it. Landlord shall not be liable for inconvenience, annoyance, disturbance or other damage to Tenant by reason of making such repairs or the performance of such work in the Demised Premises or on account of bringing materials, supplies and equipment into or through the Demised Premises during the course thereof, and the obligations of Tenant under this Lease shall not thereby be affected; ~~provided, however,~~ that Landlord shall use reasonable efforts not to disturb or otherwise interfere with Tenant's operations in the Demised Premises in making such repairs or performing such work. Landlord also shall have the right to enter the Demised Premises at all reasonable times upon reasonable prior notice to Tenant to exhibit the Demised Premises to any prospective purchaser, mortgagee or tenant thereof. Tenant shall have the right to have an officer or employee of Tenant accompany Landlord in the event of any such entry under this Section 23 (except in the case of an emergency, to the extent infeasible under the circumstances).

24. Lender's Rights.

(a) For purposes of this Lease:

(i) "Lender" as used herein means the holder of a Mortgage;

(ii) "Mortgage" as used herein means any or all mortgages, deeds to secure debt, deeds of trust or other instruments in the nature thereof which may now or hereafter affect or encumber Landlord's title to the Demised Premises, and any amendments, modifications, extensions or renewals thereof.

(b) This Lease and all rights of Tenant hereunder are and shall be subject and subordinate to the lien and security title of any Mortgage. Tenant recognizes and acknowledges the right of Lender to foreclose or exercise the power of sale against the Demised Premises under any Mortgage.

(c) Tenant shall, in confirmation of the subordination set forth in Section 24(b) and notwithstanding the fact that such subordination is self-operative, and no further instrument or subordination shall be necessary, upon demand, at any time or times, execute, acknowledge, and deliver to Landlord or to Lender any and all instruments requested by either of them to evidence such subordination.

(d) At any time during the Term, Lender may, by written notice to Tenant, make this Lease superior to the lien of its Mortgage. If requested by Lender, Tenant shall, upon demand, at any time

11:08:2007

128

or times, execute, acknowledge, and deliver to Lender, any and all instruments that may be necessary to make this Lease superior to the lien of any Mortgage.

(e) If Lender (or Lender's nominee, or other purchaser or foreclosure) shall hereafter succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease, Tenant shall, if requested by such successor, affirm to and recognize such successor as Tenant's landlord under this Lease without change in the terms and provisions of this Lease and shall promptly execute and deliver any instrument that may be necessary to evidence such attornment, provided that such successor shall not be bound by (i) any payment of Base Rent or Additional Rent for more than one month in advance, except prepayments in the nature of security for the performance by Tenant of its obligations under this Lease, and then only if such prepayments have been deposited with and are under the control of such successor, (ii) any provision of any amendment to the Lease to which Lender has not consented, (iii) the defaults of any prior landlord under this Lease, or (iv) any offset rights arising out of the defaults of any prior landlord under this Lease. Upon such attornment, this Lease shall continue in full force and effect as a direct lease between each successor landlord and Tenant, subject to all of the terms, covenants and conditions of this Lease.

(f) In the event there is a Mortgage at any time during the Term, Landlord shall use reasonable efforts to cause the Lender to enter into a subordination, non-disturbance and attornment agreement with Tenant reasonably satisfactory to Tenant and consistent with this Section 24.

25. External Certificate and Financial Statement.

(a) Landlord and Tenant agree, at any time, and from time to time, within fifteen (15) days after written request of the other, to execute, acknowledge and deliver a statement in writing in recordable form to the requesting party and/or its designee certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been modifications, that the same is in full force and effect, as modified), (ii) the dates to which Base Rent, Additional Rent and other charges have been paid, (iii) whether or not, to the best of its knowledge, there exists any failure by the requesting party to perform any term, covenant or condition contained in this Lease, and, if so, specifying each such failure, (iv) (if such be the case) Tenant has unconditionally accepted the Demised Premises and is conducting its business therein, and (v) and as to each additional matter as may be requested, it being intended that any such statement delivered pursuant hereto may be relied upon by the requesting party and by any purchaser of title to the Demised Premises or by any mortgagee or any assignee thereof or any party to any sub-leaseback of the Demised Premises, or the landlord under a ground lease affecting the Demised Premises.

(b) If Landlord desires to finance, refinance, or sell the Building, Tenant and all guarantors of Tenant's obligations hereunder, if any, shall deliver to any potential lender or purchaser designated by Landlord such financial statements of Tenant and such guarantors as may be reasonably required by such lender or purchaser, including but not limited to Tenant's financial statements for the past 3 years. All such financial statements shall be received by Landlord and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

26. Landlord Liability. No owner of the Demised Premises, whether or not named herein, shall have liability hereunder after it ceases to hold title to the Demised Premises. Neither Landlord nor any officer, director, shareholder, partner or principal of Landlord, whether disclosed or undisclosed, shall be under any personal liability with respect to any of the provisions of this Lease. IN THE EVENT LANDLORD IS IN BREACH OR DEFAULT WITH RESPECT TO LANDLORD'S OBLIGATIONS OR OTHERWISE UNDER THIS LEASE, TENANT SHALL LOOK SOLELY TO THE EQUITY OF LANDLORD IN THE BUILDING FOR THE SATISFACTION OF TENANT'S REMEDIES. IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT LANDLORD'S LIABILITY UNDER THE TERMS, COVENANTS, CONDITIONS, WARRANTIES AND OBLIGATIONS OF THIS LEASE SHALL IN NO EVENT EXCEED LANDLORD'S EQUITY INTEREST IN THE BUILDING.

27. Notice. Any notice required or permitted to be given or served by either party to this Lease shall be deemed given when made in writing, and either (i) personally delivered, (ii) deposited with the United States Postal Service, postage prepaid, by registered or certified mail, return receipt requested, or (iii) delivered by licensed overnight delivery service providing proof of delivery, properly addressed to the address set forth in Section 1(n) (as the same may be changed by giving written notice of the aforesaid in accordance with this Section 27). If any notice mailed is properly addressed with appropriate postage but returned for any reason, such notice shall be deemed to be effective notice and to be given on the date of mailing.

28. Broker. Tenant represents and warrants to Landlord that, except for those parties set forth in Section 1(n) (the "Brokers"), Tenant has not engaged or had any conversations or negotiations with any broker, finder or other third party concerning the leasing of the Demised Premises to Tenant who would be entitled to any commission or fee based on the execution of this Lease. Tenant hereby further represents and warrants to Landlord that Tenant is not receiving and is not entitled to receive any rebate, payment or other remuneration, either directly or indirectly, from the Brokers, and that it is not otherwise sharing in or entitled to share in any commission or fee paid to the Brokers by Landlord or any other party in connection with the execution of this Lease, either directly or indirectly. Tenant hereby indemnifies Landlord against and from any claims for any brokerage commissions (except those payable to the Brokers, all of which are

11/08/2007

payable by Landlord pursuant to a separate agreement) and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses, for any breach of the foregoing. The foregoing indemnification shall survive the termination of this Lease for any reason. Landlord represents and warrants to Tenant that, except for the Brokers, Landlord has not engaged or had any conversations or negotiations with any broker, finder or other third party concerning the leasing of the Demised Premises to Tenant who would be entitled to any commission or fee based on the execution of this Lease. Landlord hereby indemnifies Tenant against and from any claims for any brokerage commissions and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses, for any breach of the foregoing. The foregoing indemnification shall survive the termination of this Lease for any reason other than an Event of Default by Tenant.

29. Assignment and Subleasing.

(a) Except as provided in subsection (b), below, Tenant may not assign, mortgage, pledge, encumber or otherwise transfer this Lease, or any interest hereunder, or sublet the Demised Premises, in whole or in part, without on each occasion first obtaining the prior express written consent of Landlord, which consent Landlord shall not unreasonably withhold or delay. Any change in control of Tenant resulting from a merger, consolidation, stock transfer or asset sale shall be considered an assignment or transfer which requires Landlord's prior written consent. For purposes of this Section 29, by way of example and not limitation, Landlord shall be deemed to have reasonably withheld consent if Landlord determines (i) that the prospective assignee or subtenant is not of a financial strength similar to Tenant as of the Lease Date, (ii) that the prospective assignee or subtenant has a poor business reputation, (iii) that the proposed use of the Demised Premises by such prospective assignee or subtenant (including, without limitation, a use involving the use or handling of Hazardous Substances) will negatively affect the value or marketability of the Building or the Project or (iv) that the prospective assignee or subtenant is a current tenant in the Project or is a bona-fide third-party prospective tenant.

(b) Notwithstanding Section 29(a) above, provided that there then exists no Event of Default under this Lease which remains uncured, Tenant shall have the right, upon thirty (30) days' prior written notice to Landlord but without Landlord's prior consent, (i) to sublet all or part of the Demised Premises to any related entity which controls Tenant, is controlled by Tenant or is under common control with Tenant; or (ii) to assign this Lease to a successor entity into which or with which Tenant is merged or consolidated or which acquired substantially all of Tenant's assets and property, provided that such successor entity assumes substantially all of the obligations and liabilities of Tenant (including, without limitation, those obligations of Tenant arising under this Lease) and, after such transaction, shall have assets, capitalization, tangible net worth and creditworthiness at least equal to the assets, capitalization, tangible net worth and creditworthiness of Tenant as of the Lease Date as determined by generally accepted accounting principles. For the purpose hereof, (i) "control" shall mean ownership of not less than fifty percent (50%) of all the voting stock or legal and equitable interest in such entity, and (ii) "tangible net worth" shall mean the excess of the value of tangible assets (i.e. assets excluding those which are intangible such as goodwill, patents and trademarks) over liabilities. Any sublease or assignment pursuant to and in compliance with this subsection (b) shall be referred to herein as a "Related Assignment". With respect to any Related Assignment, Tenant shall provide in its notice to Landlord such information as may be reasonably required by Landlord to determine that the requirements of this subsection (b) have been satisfied.

(c) Except with respect to a Related Assignment, if Tenant desires to assign this Lease or sublet the Demised Premises or any part thereof, Tenant shall give Landlord written notice no later than forty-five (45) days in advance of the proposed effective date of any proposed assignment or sublease, specifying (i) the name and business of the proposed assignee or sublessee, (ii) the amount and location of the space within the Demised Premises proposed to be subleased, (iii) the proposed effective date and duration of the assignment or subletting and (iv) the proposed rent or consideration to be paid to Tenant by such assignee or sublessee. Tenant shall promptly supply Landlord with financial statements and other information as Landlord may reasonably request to evaluate the proposed assignment or sublease. Landlord shall have a period of thirty (30) days following receipt of such notice and other information requested by Landlord within which to notify Tenant in writing that Landlord elects: (i) to terminate this Lease as to the space so affected as of the proposed effective date set forth in Tenant's notice, in which event Tenant shall be relieved of all further obligations hereunder as to such space, except for obligations under Sections 11 and 28 and all other provisions of this Lease which expressly survive the termination hereof; or (ii) to permit Tenant to assign or sublet such space; ~~provided, however,~~ that, if the rent rate agreed upon between Tenant and its proposed subtenant is greater than the rent rate that Tenant must pay Landlord hereunder for that portion of the Demised Premises, or if any consideration shall be promised to or received by Tenant in connection with such proposed assignment or sublease (in addition to rent), then one half (1/2) of such excess rent and other consideration (after payment of brokerage commissions, attorneys' fees and other disbursements reasonably incurred by Tenant for such assignment and subletting if acceptable evidence of such disbursements is delivered to Landlord) shall be considered Additional Rent owed by Tenant to Landlord, and shall be paid by Tenant to Landlord, in the case of excess rent, in the same manner that Tenant pays Base Rent and, in the case of any other consideration, within ten (10) business days after receipt thereof by Tenant; or (iii) to refuse, in Landlord's reasonable discretion (taking into account all relevant factors including, without limitation, the factors set forth in the Section 29(a) above), to consent to Tenant's assignment or subleasing of such space and to continue this Lease in full force and effect as to the entire Demised Premises. If Landlord should fail to notify Tenant in writing of such election within the

11/08/2007

130

aforsaid thirty (30) day period, Landlord shall be deemed to have elected option (iii) above. Tenant agrees to reimburse Landlord for reasonable legal fees (not to exceed \$3,000.00) and any other reasonable costs incurred by Landlord in connection with any requested assignment or subletting, and such payments shall not be deducted from the Additional Rent owed to Landlord pursuant to subsection (ii) above. Tenant shall deliver to Landlord copies of all documents executed in connection with any permitted assignment or subletting, which documents shall be in form and substance reasonably satisfactory to Landlord and which shall require such assignee to assume performance of all terms of this Lease on Tenant's part to be performed.

(d) No acceptance by Landlord of any rent or any other sum of money from any assignee, sublease or other category of transferee shall be deemed to constitute Landlord's consent to any assignment, sublease, or transfer. Permitted subtenants or assignees shall become liable directly to Landlord for all obligations of Tenant hereunder, without, however, relieving Tenant of any of its liability hereunder. No such assignment, subletting, occupancy or collection shall be deemed the acceptance of the assignee, tenant or occupant, as Tenant, or a release of Tenant from the further performance by Tenant of Tenant's obligations under this Lease. Any assignment or sublease consented to by Landlord shall not relieve Tenant (or its assignee) from obtaining Landlord's consent to any subsequent assignment or sublease.

30. Termination or Expiration.

(a) No termination of this Lease prior to the normal ending thereof, by lapse of time or otherwise, shall affect Landlord's right to collect rent for the period prior to termination thereof.

(b) At the expiration or earlier termination of the Term of this Lease, Tenant shall surrender the Demised Premises and all improvements, alterations and additions thereto, and keys thereto to Landlord, clean and neat, and in the same condition as at the Lease Commencement Date, excepting normal wear and tear, condemnation and casualty other than that required to be insured against by Tenant hereunder.

(c) If Tenant remains in possession of the Demised Premises after expiration of the Term, with or without Landlord's acquiescence and without any express agreement of the parties, Tenant shall be a tenant-at-sufferance at the greater of (i) one hundred fifty percent (150%) of the then current fair market base rental value of the Demised Premises or (ii) one hundred fifty percent (150%) of the Base Rent in effect at the end of the Term. Tenant shall also continue to pay all other Additional Rent due hereunder, and there shall be no renewal of this Lease by operation of law. In addition to the foregoing, Tenant shall be liable for all damages, direct and consequential, incurred by Landlord as a result of such holdover. No receipt of money by Landlord from Tenant after the termination of this Lease or Tenant's right of possession of the Demised Premises shall reinstate, continue or extend the Term or Tenant's right of possession.

31. Intentionally omitted.

32. Late Payments. In the event any installment of rent, inclusive of Base Rent, or Additional Rent or other sums due hereunder, if any, is not paid within five (5) days after the due date thereof, Tenant shall pay an administrative fee (the "Administrative Fee") equal to five percent (5%) of such past due amount, plus interest on the amount past due at the lesser of (i) the maximum interest rate allowed by law or (ii) a rate of fifteen percent (15%) per annum (the "Interest Rate"), in order to defray the additional expenses incurred by Landlord as a result of such late payment. The Administrative Fee is in addition to, and not in lieu of, any of the Landlord's remedies hereunder. Notwithstanding the foregoing, the interest referenced above shall not be charged with respect to the first occurrence (but may be charged for any subsequent occurrence) during any twelve-month period that Tenant fails to make payment when due, until five (5) days after Landlord gives written notice of any such delinquency to Tenant.

33. Rules and Regulations. Tenant agrees to abide by the rules and regulations set forth on Exhibit D attached hereto, as well as other rules and regulations reasonably promulgated by Landlord from time to time, so long as such rules and regulations are uniformly enforced against all tenants of Landlord in the Building.

34. Quiet Enjoyment. So long as Tenant has not committed an Event of Default hereunder, Landlord agrees that Tenant shall have the right to quietly use and enjoy the Demised Premises for the Term.

35. Miscellaneous.

(a) The parties hereto hereby covenant and agree that Landlord shall receive the Base Rent, Additional Rent and all other sums payable by Tenant hereinabove provided as net income from the Demised Premises, without any abatement (except as set forth in Section 20 and Section 21), reduction, set-off, counterclaim, defense or deduction whatsoever.

(b) If any clause or provision of this Lease is determined to be illegal, invalid or unenforceable under present or future laws effective during the Term, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby, and that in lieu

11/08/2007

12/1

of such illegal, invalid or unenforceable clause or provision there shall be substituted a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

(c) All rights, powers, and privileges conferred hereunder upon the parties hereto shall be cumulative, but not restrictive to those given by law.

(d) TIME IS OF THE ESSENCE OF THIS LEASE.

(e) No failure of Landlord or Tenant to exercise any power given Landlord or Tenant hereunder or to insist upon strict compliance by Landlord or Tenant with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Landlord's or Tenant's rights to demand exact compliance with the terms hereof.

(f) This Lease contains the entire agreement of the parties hereto as to the subject matter of this Lease and no prior representations, inducements, letters of intent, promises or agreements, oral or otherwise, between the parties not embodied herein shall be of any force and effect. Any future amendment to this Lease must be in writing and signed by the parties hereto. The masculine (or neuter) pronoun, singular number shall include the masculine, feminine and neuter gender and the singular and plural number.

(g) This contract shall create the relationship of landlord and tenant between Landlord and Tenant; no estate shall pass out of Landlord; Tenant has a usufruct, not subject to levy and sale, and not assignable by Tenant except as expressly set forth herein.

(h) Under no circumstances shall Tenant have the right to record this Lease or a memorandum thereof.

(i) The captions of this Lease are for convenience only and are not a part of this Lease, and do not in any way define, limit, describe or amplify the terms or provisions of this Lease or the scope or intent thereof.

(j) This Lease may be executed in multiple counterparts, each of which shall constitute an original, but all of which taken together shall constitute one and the same agreement.

(k) This Lease shall be interpreted under the laws of the State where the Demised Premises are located.

(l) The parties acknowledge that this Lease is the result of negotiations between the parties, and in construing any ambiguity hereunder no presumption shall be made in favor of either party. No inference shall be made from any item which has been stricken from this Lease other than the deletion of such item.

36. **Special Stipulations.** The Special Stipulations, if any, attached hereto as Exhibit C are incorporated herein and made a part hereof, and to the extent of any conflict between the foregoing provisions and the Special Stipulations, the Special Stipulations shall govern and control.

37. **Lease Date.** For purposes of this Lease, the term "Lease Date" shall mean the later date upon which this Lease is signed by Landlord and Tenant.

38. **Authority.** If Tenant is not a natural person, Tenant shall cause its corporate secretary or general partner, as applicable, to execute the certificate attached hereto as Exhibit H. Tenant is authorized by all required corporate or partnership action to enter into this Lease and the individual(s) signing this Lease on behalf of Tenant are each authorized to bind Tenant to its terms.

39. **No Offer Until Executed.** The submission of this Lease by Landlord to Tenant for examination or consideration does not constitute an offer by Landlord to lease the Demised Premises and this Lease shall become effective, if at all, only upon the execution and delivery thereof by Landlord and Tenant. Execution and delivery of this Lease by Tenant to Landlord constitutes an offer to lease the Demised Premises on the terms contained herein. The offer by Tenant will be irrevocable until 6:00 p.m. Eastern time for ten (10) business days after the date of execution of this Lease by Tenant and delivery to Landlord.

40. **Memorandum of Lease.** At Tenant's request, Landlord shall execute, acknowledge and deliver to Tenant a memorandum of this Lease substantially in the form attached hereto as Exhibit "G", which shall be countersigned by Tenant and recorded in the official records of the jurisdiction in which the Demised Premises are located at Tenant's expense.
